D'ÉTUDE DU SPORT

ROUND TABLE

How can we stimulate progress and identify the limits for innovation in the world of sport? What will sport look like in the future and how will video technology change how sport is played, governed and even conceptualised? This round table will focus on these and other issues, bringing together experts from a variety of perspectives.

Zvonimir Boban

Deputy Secretary General, FIFA

Massimo Busacca

Director of FIFA Refereeing, FIFA

Vincent Gaillard

CEO-Director General, EPCR

Professor Denis Müller

Honorary Professor of Ethics,
UNIGE

Alexandra Willis

Head of Communications,
Content & Digital, AELTC

Moderators: David Eades, BBC World – Rob Eades, So-Creative
